### PLT – What our students are doing

Many of our students are using PLT effectively. There is a diverse number of things that are happening in our building on PLT mornings. Many students are getting academic support, catching up on missed work, collaborating with peers for group projects, connecting with new friends by playing games (not on a phone!), being physically active, creating in the various studios, working on their Capstone Projects (grade 12s), etc.

### Personalized Learning Time (PTL)

Two periods of instructional time each week is set aside as “self-directed” time for students to independently learn and pursue their passions with teacher support and mentorship. Students are given choice and ownership over their learning, while staff facilitate by providing a supportive learning environment (sign-up required).

### 5 Guiding Principles for PLT

1. Self-Directed, Self-Managed, Self-Regulated by students
2. Build on Individual Student Passions
3. Growth Mindset
4. Core Competency Development
5. Focus on Self-Care, Self-Aware, Physical and Mental Health for students

### Cambie PAC Poinsettia Winter Fundraiser

As with all Parent Advisory Committee activities, the purpose is to raise funds to continue supporting our children's education and our school. See our [website](#).
