Two periods of instructional time each week is set aside as “self-directed” time for students to independently learn and pursue their passions with teacher support and mentorship. Students are given choice and ownership over their learning, while staff facilitate by providing a supportive learning environment (sign-up required).

5 Guiding Principles for PLT

1. Self-Directed, Self-Managed, Self-Regulated by students
2. Build on Individual Student Passions
3. Growth Mindset
4. Core Competency Development
5. Focus on Self-Care, Self-Aware, Physical and Mental Health for students
