Recent Celebrations

Cambie's Film Festival

Cambie students and staff participated in our final conference day of the year – The Cambie Film Festival! A graduation requirement for grade 12s is to complete a capstone project and share it with the school. During the sessions, our grads presented their capstones sharing passions, inquiries, and adventures. A special thank you to Ms. Basi and Ms. Ollek for their organization, to the staff for supporting the event (including popping popcorn for students during intermission) and of course, to our grads for all their hard work – it paid off! Our younger grades were inspired!

Pathways + Strathcona Park Lodge & Outdoor Education Centre

Our grade 9 and 10 Pathways students spent this past week (our first overnight trip since March 2019!) at Strathcona Park Lodge & Outdoor Education Centre. Students enjoyed beautiful weather, an overnight camping trip (with only tarps and sleeping bags!) and a number of other incredible learning (and adventure opportunities).

Important September Information

For any families that know they will have a late return at the beginning of the school year, please follow the [link](#) to complete the required form. Families and students must understand that missing extended periods of time in a semester system is detrimental to learning and may result in a loss of their child's current school placement.

Parent Volunteers Needed!

Both our hard-working PAC and Dry Grad Committee work hard all year round to provide opportunities for our students through fundraising and other initiatives.

Currently Cambie's PAC and the Dry Grad Committee are looking for parents to volunteer and help out. Both committees are great opportunities to participate in your child's high school experience.
