Farewell to UBC Teacher Candidates!

A special congratulations to Ms. Bulandos, Ms. Christensen, Ms. Lee, Ms. Li and Mr. Roosma for completing their practicum here at Cambie. Through their time, students have had the opportunity to learn in new and creative ways. We wish them all the best in the final stage of their Education Program – hopefully we will see them next year back here at Cambie as full-fledged teachers!

Stay home if you're not feeling well!

While the sun is finally out, this is a reminder that we still need students to stay home if they are feeling ill and to continue to monitor their daily health as we have done for the past few years. Maintaining hand washing, or sanitizing, along with staying home when we are not well are still important actions that will assist us in keeping the students and staff healthy. Covid related illness continues. We are currently noting increased absences due to reported illness.

We thank our Cambie families, students and staff for their continued efforts to monitor their health daily and, if not feeling well, we urge people to stay home so that further transmission of illness can be interrupted.
