Student Learning Plans

Students with Incompletes on their term two report cards who meet certain criteria will be required to arrive at school on Wednesday at 8:25 a.m. and attend a session during the collaboration block. The purpose of this session is to set up to their I-removal/learning plan. Mr. Nashlund and Mr. Felgar will be speaking with these students Monday and Tuesday to inform them of their responsibility to attend. Parents of students who are required to attend this session will also be advised by email on Tuesday. It is our hope that these learning plans will help students show that they are ready to succeed and finish the year with a strong term three.
