COLLABORATION BLOCK – WEDNESDAY:

This Wednesday is the final Cambie Staff Collaboration Block of the year. Staff will be meeting together to engage in discussion about student learning and improvement. School does not start on Wednesday until 9:45am.

STUDENT LATES:

We have recently noticed an increased number of students showing up late for class. We believe that consistent attendance is critical for success in the classroom. When students arrive late, they often miss a review of learning from the previous class, an overview for the lesson, and/or an opportunity to review homework and ask questions. In addition to missing out on valuable learning, students arriving late also negatively impacts other students in the classroom as it causes a distraction to students and teachers. We ask parent to please have a conversation with your child to discuss the importance of being RESPONSIBLE and RESPECTFUL by arriving to class on time. Thank you for your assistance!

GR. 7 TOURS:

All our incoming Gr. 7 students will be attending the school tours on Wednesday. They will be participating in a variety of activities and will be circulating throughout the school.

TRACK & FIELD:

Many of our students have qualified for the Richmond School District T&F Championships this Wednesday at Minoru. Good luck to all our students and thank you for representing yourself and our school with strong sportsmanship and class!

STUDENT SUPPORT – CAMBIE COMMONS

Additional support continues to be available for students in the Cambie Commons during the school day as well as after school. All students are welcome to visit the Cambie Commons after school on Tuesday, Wednesday and Thursday to receive extra help from a teacher. This is the time that students need to working hard to get caught up and to strengthen their understanding before the end of the school year!

TERM 3 "AT-RISK" INTERIM REPORTS

Interim reports will be distributed to students this week who are "At-Risk" of not successfully completing the class. It is important that any student who receives a Term 3 Interim Report takes action to address the concerns that are identified. Students must start to address these concerns now as we are approaching the end of the year.

PAC & DRY GRAD

The Cambie PAC AGM is this Thursday starting at 7:00pm in the Cambie School Library. All parents are invited to attend and participate.

The next DRY GRAD meeting is on Thursday May, 18th at 7:00pm in the Cambie School Library. All Gr. 11/12 parents are encouraged to attend to provide assistance. Additional volunteers are still needed:

- 4 people to volunteer to ride the busses from the Marriott Pinnacle Hotel back to dry grad to supervise the students.
- 2 Gr. 11 parents to serve as food volunteers to refill the buffet table at the dry grad
- 10 Volunteers to help clean up the Fridge Youth Centre (Very close to Cambie School) on June 29th from 5am-7:30am.

Please contact our PAC Chair, Tara Pipke to sign up for one of these tasks(tipkecambiepac@gmail.com). This event is built upon parent volunteers! Door Prize donations can be dropped off at the Cambie Office by May 31st.
