TERM 3 INTERIM REPORTS "AT-RISK" ONLY

Term 3 Interim Reports were sent home to students who are 'at-risk' of not successfully completing the course requirements, or for any students whom teachers feel it is necessary to communicate concerns with parents. These were mailed on Thursday so should be arriving to your house anytime. The most important part of this interim is the information that explains to the student/parent what is required to meet the minimal learning outcomes in order to successfully pass the course. If your son/daughter receives any Term 3 "At-Risk" interim reports, I encourage you to have a conversation with them to determine an action plan for improvement for the remainder of this year. Now is the time to start working on getting caught up...don't leave it until the end of the year which may become too late!

STUDENT SUPPORT – CAMBIE COMMONS

Additional support continues to be available for students in the Cambie Commons during the school day as well as after school. All students are welcome to visit the Cambie Commons after school on to receive extra help from a teacher. This is the time that students need to working hard to get caught up.
