THANK YOU!!!

Thank you and congratulations to students in our Pathways 8 class for their outstanding effort with 'Night of the Notables'. Thank you to all the parents who came to fill our theatre to support the event. This was a great example of students engaged in their learning!

Thank you also to Ms. Sanders and Ms. Paukov for coordinating the Gr. 9 Human Library. It was an outstanding event whereby grade 9 students selected to attend two presentations out of a large variety of guests.

LATE SWEEP – Wednesday – First Period:

Ironically, we typically have an increase in the number of students who arrive late to school on our collaboration days when we start at 9:45am. This week, we are going to ask students to "Raise the Bar" by ensuring they arrive on time on Wednesday. We will notify students of this on Monday and Tuesday. Any students who arrive to class late on Wednesday will need to report to the office. Please make it a priority to arrive on time every day! Thank you for your support!

BC MINISTRY OF EDUCATION SATISFACTION SURVEY:

Every year, students in Grades 4, 7, 10 and 12, their parents and all staff in B.C. public schools are invited to participate in an annual online satisfaction survey about their school experience. The survey takes about 10 minutes to complete. All responses are anonymous and confidential. Parent surveys are available in 16 additional languages. The survey is open until the end of April. To complete the survey, please visit the link below, scroll down to the "Parent" section, and use the district access (no login required). Select District "38 Richmond", Select "Cambie Secondary" and choose the language for the survey.

Thank you for sharing your feedback! We value your input.

STUDENT FOCUS GROUPS:

We value having conversations with our students to gather first-hand information. The Pro-D Committee is once again conducting student focus groups with a cross section of students in each grade to seek their input, feedback and reflections. The results of these focus groups will be shared with staff at an upcoming Pro-D Day. We believe it is important to listen to our students and for them to help shape our professional development as a staff.

AFTER SCHOOL SUPPORT

After school support continues to be available for all students on Tuesday, Wednesday and Thursday this week in the Cambie Commons.

SCHOLARSHIPS & McEWEN AWARDS:

Grade 12 students are encouraged to complete the online scholarship application that is open and will remain open until this Friday, April 13th. Students must apply to be eligible for any school-based scholarships or the McEwen Scholarships. We are extremely fortunate at Cambie to offer our graduating students \$28,000 worth of scholarship from the McEwen Family in addition to our other school and district based scholarships. We are the only Richmond school to have this partnership with the McEwen Family and feel extremely grateful, privileged and honoured.

To access the scholarship application, please visit the Cambie website under the "students" tab. Please note that this scholarship application will take some time, and it must be completed at one time (it cannot be started and saved to finish at a later date). All scholarships will be presented to students at the Valedictory Ceremony on Friday, June 8th, 2018 at the UBC Chan Centre.
