PERSONAL LEARNING TIME:

We had an outstanding start to our Personal Learning Time last week. I had the privilege of walking around and visiting every classroom, and I was so impressed with the high level of student engagement and the ownership that our students displayed. Students were on task and working hard. It was clear that our students were making good use of this time and planned ahead by bringing work of their choice to focus on during this hour.

This Personal Learning Time will continue for the next 5 Thursdays, with some greater flexibility for students starting in week 3 (Thursday, May 24). More information to come!

We would like to hear feedback from parents about this new initiative. If you have any feedback or thoughts, or can share your child's experience from the first week, please send an email to cambie@sd38.bc.ca. We value your input!!

CAMBIE COMMUNITY CENTRE:

I would like to pass on a request from the Cambie Community Centre. If you are dropping off your child near the Cambie Community Centre entrance, please do not use the handicap parking stalls as a drop off location. These stalls should remain available at all times for their patrons who need them. Also, in front of the community centre entrance there is a curved driveway. This is a "No Stopping" area, so please do not use this area for drop off. We want to be the best neighbours as possible, so I ask that you please respect these requests.

There may be a bylaw officer visiting the community centre on a regular basis in the coming weeks, so please adhere to these guidelines. Thank you in advance!

CAMBIE AWARDS NIGHT – MAY 24

All students and families are invited to our annual Awards Ceremony on Thursday, May 24th. The ceremony begins at 7:00pm so please arrive early in order to get a seat. This is always a great evening to celebrate the outstanding achievements of our students. We hope to see you there!

SUMMER SCHOOL 2018:

Please visit the Cambie website for information on the course offerings, schedule, and registration information for Richmond Continuing Education Summer Programs. Space is limited, so it is important that you familiarize yourself with these options and the registration timeline.

DINNER & DANCE TICKETS,

DRY GRAD TICKETS:

This is reminder to all Gr. 12 students that the deadline to purchase tickets for our Grad Dinner & Dance is Friday, May 18th. Please see Ms. Yip to purchase your tickets.

This is also a reminder that the early bird deadline for purchasing Dry Grad Tickets at a reduced rate of \$55.00 is also May 18th. After that date, ticket prices increase to \$65.00 until the end of May deadline.
