SOCK WARS – DEC. 3-14

Cambie’s First Responders & Health Science class are collecting NEW socks and monetary donations for various organizations to help others in need. Donations will be collected in period 1-3 classes. All staff & students are encouraged to wear and show-off your bright & colourful socks on Dec. 3rd.

GRAD PHOTOS

Graduation Photos are taken by the Artona Group Photography Company. The entire process (booking appointment, previewing photos, ordering, etc) will be completed online. Artona has a mobile studio that will be at Cambie this week for individual grad photos as well as group friendship photos. Some Gr. 12 students have not yet booked an appointment. It is important that all Gr. 12 students have a photo taken so that they are included in the graduation composite and yearbook. Even students who do not want to order grad photos need to have a photo taken. To book your appointment, visit the Cambie website and follow the link to create your own user ID and password.

Individual Grad Photos: Monday → Wednesday
Friendship Group Photos: Thursday & Friday

See the website for more info.

TERM 1 REPORT CARDS:

Starting this school year, Report Cards will now be published online on the MyEducation BC Parent Portal. Our Term 1 Report Cards will be published on Thursday, December 13th. We shared information about this last May, and approximately 25% of families activated their account. It is very important that all families follow the instructions that will be sent to you this week to create an account if you do not already have one. Families who do not have an account can should look for an email from ‘sysadmin@myeducation.gov.bc.ca’ with your login and temporary password. Instructions on how to login and navigate the Parent Portal will be posted on our school website. This account will give you access to your child’s class attendance, demographic information, schedule, report card and transcript information. If you have any issues activating your account, please follow the link on the Cambie website.

Parents are encouraged to ask questions about the report card, set goals for Term 2 and to celebrate the success of Term 1. Please ensure you focus on the value of strong work habits in addition to the achievement mark and comment.
