CAMBIE SECONDARY NEWSLETTER

June 30, 2022

Dear Parent/Guardian,

Our final days of the 2021-22 school year have been as adventurous! We want to acknowledge the success of the Class of 2022, who will embark on new experience outside the walls of Cambie. We believe the foundations they developed and the support of everyone they encountered in our school system, will serve them well in their ongoing journeys and endeavours.

When looking back at the school year, it has been filled with rich learning. Over the past 185 school days, our students and staff have strived to "Raise the Bar" in all areas of learning. Students have worked hard to enhance their knowledge and understanding of their chosen curricular areas. The Cambie staff continued to work hard to champion students and their learning. Our staff focus all year has been on enhancing student engagement by connecting content learning to the big ideas of each course and increasing our students' motivation and accountability for their work. In addition to the quality academic learning that has taken place, our students have also developed their skills in areas such as leadership, problem solving, communication, teamwork, perseverance, overcoming obstacles, and learning through mistakes.

To our Staff, thank you for your ongoing dedicated work to support our students and their families. With kindness and compassion at the center of all that you do, thank you staff for planning rich experiences for your students and for honoring student voice. Your dedication and openness to all students has been appreciated! To our parents, thank you for your ongoing support of our work in the school. We wish to acknowledge the outstanding work of our PAC in general this year. For the enthusiasm and commitment to planning and supporting our community. A special thank you to our PAC for always modelling a positive welcoming energy around the school.

There is much we can and will learn from our 2021-2022 experiences. We continued to put in place important policies and action plans to listen and learn, to ensure that we address inequity and racism at Cambie and in our community. We want to make our school safer and more welcoming than it has ever been for all; we acknowledge the impacts of inequity and systemic racism on students and our community, we strive to "do better and be better" as we plan for 2022-2023. You have our commitment: Cambie Staff will continue working on build a stronger, safer and more welcoming school with the well-being of students and their success at its heart. We wish you well over that the next two months. We hope this time brings you joy, good health and safety.

It has been an honour to serve this community as principal and I look forward to hearing many great things about our school as I move to my new position at Burnett. I want to extend a warm welcome to our new principal, Ms. M. Timmins.

On behalf of the staff at Cambie, I wish to extend our best wishes to all for a safe and healthy summer break.

Sincerely,
M. Jaswal
Principal HJ Cambie Secondary School

NOTICE OF LATE RETURN FORM – 2022/23
(Due to Extenuating Circumstances)

This form is to be completed for any student(s) who expects to return to school
LATER THAN 12:00 pm Wednesday, Sep. 7, 2022 AND ON or BEFORE Sep. 14, 2022

Please complete this form and return to the school principal before June 24, 2022. Please attach a letter that contains an explanation of the extenuating circumstances for returning late in September.

Student Last Name	Student First Name	Sept. Grade
Student Last Name	Student First Name	Sept. Grade

THE DATE OF RETURN TO SCHOOL for my child(ren) will be:

Please note that being absent at the start of the school year has the following ramifications for students:

1. Missed valuable instructional time, therefore missed valuable learning opportunities.
2. Missed valuable teacher and administrative explanations of expectations and routines for the course & school.
3. Missed valuable opportunities to make important social connections at the start of a school year.
4. If a student is not returning on or before September 14, 2022, a school cannot reserve a spot guaranteeing the ability to be enrolled in the school. There may be a need for placement at another school upon the students' late return.

In conclusion, the reason for a late return should only be for extremely extenuating circumstances.

In the event of an unforeseen critical family circumstance occurring on or after July 1, 2022 that causes an unexpected late return to the school, the parent must advise the school as soon as possible by email via the school website or by letter directed to the Principal.

School Email Address: cambie@sd38.bc.ca

School Website: hjcambie@sd38.bc.ca

I understand that if my child does not return to school by September 14, 2022 they may lose their placement and may have to attend another school upon their late return.

JUNE 2022

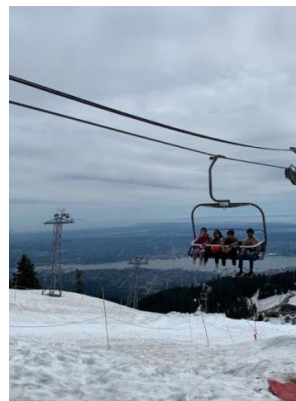

To wrap up our school year, students will be celebrating with lunch, listening to our grade 10 Pathways Valedictorians, Katie Huang and Nayis Majumber, and watching our grade 10 slideshow. All students also got to go on one final field trip for the year!

PATHWAYS 10 STUDENTS HEAD TO GROUSE MOUNTAIN:

To celebrate the end of the program for our grade 10 students, Ms. Paukov and Ms. Alblas brought the group up to Grouse Mountain for the day. We rode the tram, had the opportunity to explore the Grizzly Bear Habitat area, some short hiking trails, as well as ride the Peak Chairlift up to the top of Grouse and back. Students also tested their courage and strength by completing the Ropes Course. With the weather behaving, and

students experiencing something new, our grade 10 Pathways students had a wonderful time as a class out and about! A special shoutout to Jan and Ritish who were the only two to complete the most challenging ropes course!

PW8/9 STUDENTS : FLYOVER CANADA + LUNCH

To celebrate the end of the school year, the grade 8 and 9 Pathways students, along with Ms. Sanders and Mr. Kroeker adventured downtown to experience FlyOver Canada at Canada Place. Upon finishing, the group went off to Old Spaghetti Factory Gastown for some pasta!

FAREWELL GRADE 10s!

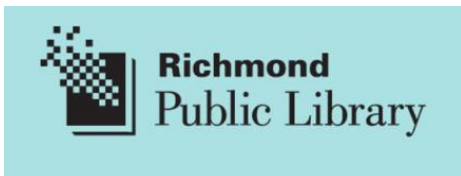

The Pathways Department would like to congratulate the grade 10 class on successfully completing the Pathways Program this year. Over the course of the three years, students in our program have completed thousands of volunteer hours around our community, have participated in countless fundraisers and have challenged themselves academically in our courses, all while navigating the pandemic. Next year, these students will be doing a number of different things: some will be heading to the IB Program at Richmond High, others will be participating the Rec Leadership Program and/ or the Medical Science Program here at Cambie, while others will continue on in the Cambie Community participating/ running clubs, playing on teams and putting on the Cambie Drama Production. We will you all the best as you step into your senior years of high school!

a beautiful job playing music at the Valedictory and participating in the singing of the National Anthem!

We would also to congratulate two past Pathways students (Abigail Dumbrique and Saniya Mann) on their wonderful contributions to our Cambie Valedictory at the Chan Centre on June 10th. Abigail, along with two peers, were the Historians of the grad class, while Saniya was chosen as Valedictorian! A special congratulations to a few of our current Pathways students as well who did

SUMMER VOLUNTEER OPPORTUNITIES:

The Richmond Public Library is opening up their volunteer opportunities once again. If you are interested in participating in different events or being a part of the 'Teen Ambassador' Team, please take a look on the Richmond Public Library website. At the bottom of the website page, under "Support Your Library," click on "Volunteer Now" to explore options.

June Staff Collaboration Time

Cambie staff met in small groups to explore different aspects of enhancing student learning and student engagement. The purpose of these sessions is to enhance the learning experience for our students. The following are topics that we had discussions about on this Collaboration morning:

- Mental Health Innovation Grant
- ELL end of the year assessment/ updating green folders
- PHE track and field unit
- Designing inclusive experiments/ tests that check for understanding for modified/ ELL Science 10
- Math ePortfolio questions and Precalculus 11 project
- Home-ec - Testing multipurpose bread recipe

Medical Science Program

Cambie is graduating its first class of **Paramedics** from the Medical Science Program. Students graduating from this program were certified in Standard First Aid with CPR 'C' in their grade 11 year and now as Emergency Medical Responders in their grade 12 year.

This comes at a time where there is a critical shortage of **Paramedics** joining the BC Ambulance Service. These are talented and motivated students who have spent many hours learning how to assess and treat patients with conditions ranging from trauma to medical issues.

Congratulations to a successful two years! Way to make Cambie proud!

A BIG THANK YOU TO APPLEWOOD NISSAN RICHMOND!

Once again, Applewood Nissan Richmond graciously donated a 2011 Chevy Cruze to give away to one of our grads!

Our Grade 12s wrote a short application describing how winning a car would positively impact their life.

On H.J. Cambie Day (June 24), representatives from Applewood Nissan Richmond chose the winner via random draw.

The big winner was **Hella Mohamadi!**

A big thank you to Applewood Nissan Richmond for this incredible gift, as well as the numerous events they have sponsored at our school over the past few years!
