Important Information

Learning Completion Days

These days are used to support students who may have struggled to meet the learning outcomes outlined for a course. Monday, June 26th and Tuesday, June 27th are Learning Completion Days. If your child is required to attend, teachers have communicated this to the student.

Dry After Grad Volunteers STILL needed!

Please sign up [here](#) (or visit Cambie's website) to support the Dry After Grad that is taking place this coming Wednesday, June 28th between 12:00am and 5:00am. Set-up, running of the event, and take-down spots are available; the more hands on the deck, the lighter the load.

Final Report Cards

Final report cards will be published to MyEducationBC for families to view on June 28th. Any additional attachments will also be sent home on this date. **We encourage ALL parents to check in on their children's progress through this website as this is the final opportunity for communication about your child's learning for the 2022/23 school year.** It is also important to note if your child is encouraged or required to attend summer school courses. Failure to attend when required will result in re-taking the course in September 2023.

Outstanding textbooks/ library books/ fees

All the items listed above are still being collected through the library and office. Please drop off before June 28th.

2023/24 School Year

We are in the process of checking in with students regarding next year's schedules. **We encourage students to consistently check their emails over the next week for opportunities to rectify conflicts in their 2023/24 school schedules.**

Information will be communicated home at the beginning of September regarding the upcoming school year.
