Student and Family Affordability Fund

The provincial government recently announced a renewal of one-time funds for the Student and Family Affordability Fund. This fund is designed to assist families who require financial assistance with school-related costs in the following areas:

- school and course fees
- school supplies and course materials
- field trips
- school-related extracurricular opportunities
- clothing and footwear required for sports and school activities

Please reach out to Cambie Principal, Marcy Timmins, mtimins@sd38.bc.ca if you are in need of assistance. As always, all requests will be treated with dignity and your privacy will be respected. We want to work with our families to ensure that our students, your children, have everything they need to be successful at school. Please do not hesitate to reach out if we can help.

Cambie PAC AGM

Message from Cambie PAC re: AGM

The Cambie PAC had a busy year including financial allocation of Gaming Funds, additional fundraising for Scholarships and Bursaries, and assisting and sponsoring school events such as Teacher Appreciation and Grade 7 Welcome Dinner. On behalf of the Cambie PAC, I would like to invite all parents and guardians to the **May 16 - All General Meeting at 6:30pm** held both in person at the library and virtually through Teams. It is the last meeting of the school year where we will recap the year, updated by the Dry Grad Committee, discuss some final events and prepare for 2024/25 school year. But the most important aspect of the AGM is to elect new PAC Executive. Every year we must elect PAC Officers including Chair/Co-Chairs, Treasurer, Secretary, and Members at Large. It is a requirement to have a fully elected Executive for the PAC to not only function but qualify for the Government Gaming Grant (which makes up 75% of our funding). The Gaming Grant is integral for funding student extra-curriculars, sports teams, clubs, Student Council, Dry Grad, and teacher initiatives.

Please consider coming out to the PAC Meetings, getting involved with an event, and possibly taking on a PAC Position. We have small group of dedicated volunteers, but as their kids graduate, we need new parents to join in. On a personal note, I have been involved with school PAC since my kids were in Kindergarten at Hamilton Elementary. I have found the PAC to be a great place to connect to the school, be informed of school culture, be a part of school events through volunteering, and meet other parents. I strongly encourage other parents to consider getting involved with their PACs.

Thank-you,

Nicole Okano
