Thanksgiving Food Drive

Rec Leadership is hosting a Thanksgiving Food Drive from October 7th to 11th, and we need your help! Please consider bringing non-perishable food items or cash donations, as all contributions will go directly to the Richmond Food Bank. Rec Leadership students will be collecting donations during Block B, so don't miss your chance to make a difference in our community!

The Richmond Food Bank currently supports over 4,770 families and has experienced a 34% increase in visits. To ensure they can continue meeting the growing need, let's come together and show our support by donating generously. Every contribution counts!

Photo Retake Day - Friday, October 11

- All students who require a retake **must bring their newly issued ID card on retake day.**
- Artona photographers will need to scan the QR code on the back of the ID card if it's a retake.
- If your name, information, or photo on the ID card is incorrect, please go to the rotunda (with your ID card), when your grade group is called.
- Staff and students who missed photo day, as well as new students, get to have their photos taken first.

Parent Guide to Emergency Preparedness

The Richmond Board of Education has as its highest priority the safety of students and staff, and upholds the duty of care that is expected from our school community. The district is responsible for ensuring that emergency management protocols are established, practiced and activated as required by provincial legislation and regulations.

This document is intended to familiarize parents with district emergency management protocols. A critical incident, disaster, or emergency is unpredictable and depending on the nature of the event, can have significant negative impact on those affected. Schools are places where emergency management protocols are critically important to the well-being of students and staff and to the confidence that parents and guardians have in entrusting their children to our care. Click [HERE](#) for the document.

****A very Important reminder to remaining families who have yet to hand in the Yellow verification form. This form is crucial in keeping our office updated with accurate student information at Cambie. It helps us address safety concerns and ensures we have the correct contact details in case of an emergency for student reunification.**

Cambie PAC Poinsettia Winter Fundraiser

With the holiday season quickly approaching, we would like to invite you to participate in the Poinsettia Winter Fundraiser! These beautiful, locally grown plants will add warmth and colour to your home or office and make great gifts.

All proceeds of our winter fundraiser go towards enhancing our students' educational experiences, including financial support for sport teams, drama and art clubs, Dry Grad, extra-curriculars, and much more.

Help us make this event a success!

Youth Representative for Richmond's Intercultural Advisory Committee

The City of Richmond's Intercultural Advisory Committee (RIAC) is seeking a youth representative for the 2025 appointment term. If you know any district youths passionate about advancing cultural diversity, equity and inclusion, and topics such as anti-racism, interculturalism, and language accessibility, please share the following information with them for consideration. This position requires a completion of an application and is open to youth or young adults aged 13-24 at the time of application. See below for details:

The committee meets monthly nine times a year, with breaks in July, August and December.

More information on the application process can be found at www.richmond.ca/advisory. Interested youth are invited to [submit an application](#) and resume to the attention of the City Clerk's Office to cityclerk@richmond.ca no later than Friday, September 27, 2024. Please indicate that you are applying for the youth representative role in your application.

Request for the Administration of Medication at the School

The School District #38 (Richmond), in collaboration with Vancouver Coastal Health – Richmond, has guidelines in place regarding the administration of prescribed medications.

In accordance with these guidelines, non-prescription medications such as Tylenol, Advil, Benadryl, etc. will not be administered by Richmond School District staff and will not be kept at school.

For students who require prescribed medications to be administered by school staff, a Request for Administration of Medication at School (RAMS) form is necessary to be completed. This form is available at the school office, or on request, can be emailed to you at home. This RAMS form should be taken to your pharmacy so that the prescription label can be attached and then brought to your child's school along with the prescribed medication.

Each summer, all medications will be sent home. This will give you the opportunity to use the medication over the summer. At the start of each school year, you will need to bring an updated 'Request for Administration of Medication at School' form along with your child's medication.

Remember to check the expiry date before sending any medications back to school in September. You can check for expiry date reminders of emergency medication for EpiPen and Allerject on the company website. Websites: www.epipen.ca or www.allerject.ca

If you have any questions, please the school office.
