Helping students make productive choices for their Personalized Learning time (PLT)

Parents, please help us support your child with their learning. Students have access to sign up to specific teacher's classes for PLTs via their devices by using links found with the MySchoolDay App and the Cambie School website. We expect that students will sign up to a learning space that best supports their work in their classes. Please ask them to show you what they have signed up over the weekend for the coming Tuesday and Thursday sessions. This would go a long way to help students organize their time. Students can sign up several sessions in advance.

This past Wednesday, the school sent home student interim reports. It would be a great conversation starter to link the report card assessment with the selection and sign up of upcoming PLT opportunities. On behalf of the teaching staff, I thank you in advance. ☺

Request for the Administration of Medication at the School

The School District #38 (Richmond), in collaboration with Vancouver Coastal Health – Richmond, has guidelines in place regarding the administration of prescribed medications.

In accordance with these guidelines, non-prescription medications such as Tylenol, Advil, Benadryl, etc. will not be administered by Richmond School District staff and will not be kept at school.

For students who require prescribed medications to be administered by school staff, a Request for Administration of Medication at School (RAMS) form is necessary to be completed. This form is available at the school office, or on request, can be emailed to you at home. This RAMS form should be taken to your pharmacy so that the prescription label can be attached and then brought to your child's school along with the prescribed medication.

Each summer, all medications will be sent home. This will give you the opportunity to use the medication over the summer. At the start of each school year, you will need to bring an updated 'Request for Administration of Medication at School' form along with your child's medication.

Remember to check the expiry date before sending any medications back to school in September. You can check for expiry date reminders of emergency medication for EpiPen and Allerject on the company. Websites: www.epipen.ca or www.allerject.ca

If you have any questions, please the school office.
