Helping students make productive choices for their Personalized Learning time (PLT)

Parents, please help us support your child with their learning. Students have access to sign up to specific teacher's classes for PLTs via their devices by using links found with the MySchoolDay App and the Cambie School website.

We expect that students will sign up to a learning space that best supports their work in their classes. Please ask them to show you what they have signed up over the weekend for the coming Tuesday and Thursday sessions. This would go a long way to help students organize their time. Students can sign up several sessions in advance.

This past Wednesday, the school sent home student interim reports. It would be a great conversation starter to link the report card assessment with the selection and sign up of upcoming PLT opportunities. On behalf of the teaching staff, I thank you in advance. 😊

There are some new things this year!

There are a lot more than just poinsettia plants
But you can still get the classic poinsettias in Red and White

Fundraising is always a vital part of ensuring the students have the best year possible. The money raised is used to help cover costs for programs, equipment, resources, and extracurricular activities. It also takes some of the financial burden off of the parents – allowing more kids to participate in these activities.

Parenting When Anxiety Shows up as Anger

Anxiety in our kids can show up as anger, and that can make parenting extra challenging. Learn from Karen Peters, Registered Clinical Counsellor, to discover some strategies that can help us before, during, and after these hard moments. This video presentation will be followed by a discussion facilitated by the Family Peer Support Workers in Richmond. We will be hosting this in-person event at Richmond Public Library 100-7700 Minoru Gate Richmond. This is an informal opportunity to connect and learn with other families. The event is free.
