We have come to the end of our First semester. This is a great time to reflect on accomplishments and to make some plans for routines for the upcoming second semester.

HOW TO SUPPORT YOUR CHILD IN SEMESTER 2

Talk!

Ask your child about Semester 2:

- What courses are you taking?
- What are you excited about?
- Is there anything you are worried about?
- What are your goals for Semester 2?
- How can I help you achieve those goals?

COURSE OUTLINES:

This is a first piece of information for students (and families!) to understand important information including teacher contact information, course structure/ expectations, materials/ supplies needed and assessment.

PLEASE TAKE THE TIME TO READ OVER COURSE OUTLINES WITH YOUR CHILD!

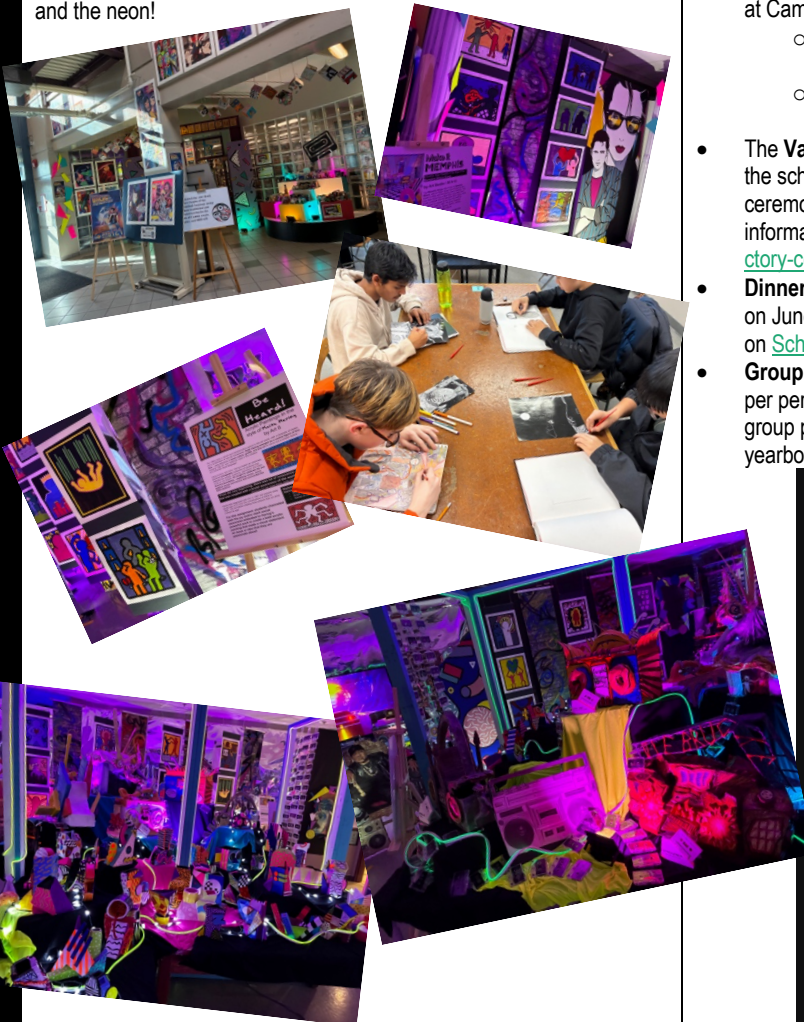

Semester 2 Schedules

Semester 2 will begin on Tuesday, January 27. An email containing students' schedules was sent out earlier on Friday, January 23. Please be sure to check your inbox as well as your junk or spam folder.

If you are still having difficulty locating the attachment, please contact the school office and we will be happy to assist you. Kindly ensure that you are using this most recent schedule and disregard any earlier versions you may have received at the beginning of the year. Thank you for your continued support. We look forward to welcoming everyone back for a fresh start in Semester 2.

G.O (Girls Only) Day on Friday, Feb 13, 2025 for Grade 8-9 girls
G.O. Day is an exciting 1-day conference for girls in Grade 8 and 9, aimed at promoting a healthy, active lifestyle and building connections in the community. At previous G.O. Days, girls have taken part in various physical activities like K-Pop Dance, a Spin Cycle class, Zumba and more. They've tried new exercises and sports such as volleyball and basketball, learned about healthy living practices by preparing fruit smoothies, and additionally have made new connections with peers and community resources.

Past G.O. Day participants have made new friends at other schools, tried new means of physical activity, and have gone on to register in classes centered around physical health. They have also built connections to neighboring community centres, youth workers, and youth-serving agencies in and around Richmond.

We are requesting your support to spread the word and share this with any youth in grades 8-9 to promote GO Day! Your support for G.O. Day is greatly appreciated and will have significant positive impacts on the girls in our community.

For more information, please reach out to Mia Mascarina (mmascarina@richmond.ca) for more information.

Volunteers - Criminal Record Check (CRC) Request Instructions

Please follow the instructions below to submit a CRC request. The results of your CRC will be sent directly to the school district.

There is no cost for volunteers to obtain a CRC, and the process is online efficient. Please visit <https://justice.gov.bc.ca/screening/crrpa/org-access> or use the QR code to visit the website shown below.

You will need to enter an access code. Please enter: **U4T1JQ370**.

Thank you so much for volunteering your time in our school community!

The Volunteer Driver Authorization Form has been revised and is now being used. This updated version reflects current district requirements, including the completion of a criminal record check for all volunteer drivers prior to participating in any school-related driving activities.

Going forward for all new field trips, volunteer driving may only occur once both the Driver Authorization Form and the required criminal record check have been completed.

Criminal Record Checks (CRC's) for school volunteers can now be completed by the volunteers through online submission and at no cost to the individual. The process is reported to take less than 5 minutes. If you become aware that you will be volunteering for a field trip or other activity transportation, you may save yourself time if you completed the Criminal Records check submission in advance of needing to fill out the Volunteer Driver Form at the school office. If you do complete this in advance, please forward a copy of the confirmation to the office at the time of filling out the Volunteer Driver form with school office staff.

Helping students make productive choices for their Personalized Learning time (PLT)

Parents, please help us support your child with their learning. Students have access to sign up to specific teacher's classes for PLTs via their devices by using links found with the MySchoolDay App and the Cambie School website. We expect that students will sign up to a learning space that best supports their work in their classes. Please ask them to show you what they have signed up over the weekend for the coming Tuesday and Thursday sessions. This would go a long way to help students organize their time. Students can sign up several sessions in advance.
