### Grade 10 and 11 PLT Assembly - Tuesday, Oct 20

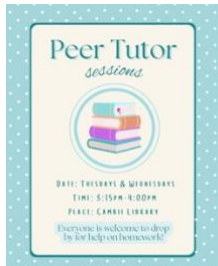

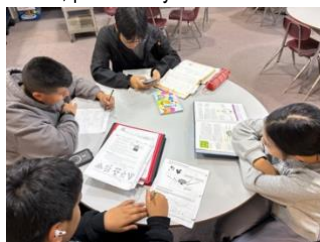

On Tuesday, October 20, we will hold a combined assembly for all Grade 10 and 11 students. This session will be led by administration, counsellors, and learning services, with a primary focus on exploring career paths. All grade 10 and 11 students will need to attend this assembly

### Learning Updates coming home to parents Wednesday, October 21st

We plan to send home your child's Interim Reports (Learning Updates) as BOTH a paper copies as well as by email next Wednesday, October 21. We have chosen to do this as we want to provide as much access for families as possible. This first Learning update is intended to provide the families with a snapshot of how their child is doing in the areas of Engagement, Behaviour, and Learning Progress. Some teachers may indicate that they are requesting to meet with you for a conference to discuss how best to support your child. Please expect to see this Learning Update next Wednesday as your child will be given it in a homeroom period at the end of the school day Wednesday.

### Homework Helpers

Parents, please let your children know that a lovely group of students make themselves available to help others with homework every Tuesday and Wednesday, 3:15-4pm in our Library after school. Anyone is welcome and it is friendly and informal. Here are some photos of this week's Homework Help sessions.

### KPU is accepting applications for Fall 2027!

KPU has officially started accepting applications for Fall 2027! Applications opened on October 1, and we strongly encourage students to apply early to secure their spots in their preferred programs.

Below is an outline of our [important dates and deadlines](#) to be aware of:

- October 1 - Applications open
- November - Offers begin for Open and Limited Intake programs.
- June 1 - Deadline to pay confirmation deposit and accept offer of admission for Open intakes.
- July 1 - No applications accepted after this date

### OCTOBER DATES TO REMEMBER

|    |                                                   |
|----|---------------------------------------------------|
| 20 | MANDATORY Gr. 10 & 11 Assembly - During PLT       |
| 21 | Sem 1 Interim Learning Updates Emailed Home       |
| 23 | Pro - D – Day – No School – SCHOOL CLOSED         |
| 27 | MANDATORY Gr. 12 Assembly - During PLT            |
| 28 | Staff Collaboration Block – Class starts @ 9:35am |

### Cambie Classrooms During PLT

Students c in these photos can be seen taking advantage of their opportunity to work towards completion and refinement of their school assignments. Collaboration with friends on project work happens frequently during the PLT time. All students are expected to be making decisions to select which subject area and teacher they feel they would benefit from in terms of task completion and/or teacher support.

### Connections Community Services Society - Youth Volunteer Opportunities

Connections Community Services Society provides opportunities for youth to gain volunteer experience through serving the communities and supporting those in need.

Please note that offers for Limited Intake programs (except for the Engineering Certificate) this year will be made on a first-qualified, first-offered basis until the program is full. As a result, some programs may close without prior notice.

### E-Scooter Safety Expectations

As we are seeing around the lower mainland, e-scooters are becoming very popular. It is important for parents to know that it is not legal for students under 16 years of age to ride them. Students 16 years and older, may ride, but **MUST** be wearing a helmet. We have noticed some e-scooters at school and will be meeting with the students to determine their age and to see if they have a helmet. If your child has been bringing their e-scooter to school and is not 16 years old, we ask that you have them keep the scooter at home. Please check out the link below for more information specific to Richmond.

### Erase Training - Registration Open

Safer Schools Together offers training sessions for students, parents/caregivers, and educators. These sessions are designed to help promote informed decision-making both online and offline to ensure safe and caring school communities. For parents/caregivers and youth aged 10+, [Family Sessions](#) include:

- Establishing Safe, Caring, & Respectful Digital Communities
- Establishing Family Practices for Safeguarding Against Cyberbullying and Sextortion

The complete [2026/27 erase training schedule](#) is open for registration through 2026.

### City of Richmond - Online Youth Resource Guide

The City of Richmond's [Online Youth Resource Guide](#) contains information about primarily Richmond-based community resources targeted to youth ages 13-18. It is designed to be a first step to help connect youth and their families to access information about a wide range of programs, services and resources.

### Collecting your Refundables!

## REFUNDABLES

CONSIGNÉS    退款    المواد القابلة للاسترداد

ACADIA

SUSTAINABILITY.ACADIA.U.CA

We are ready to receive recycling refundables. Thank you to our PAC for taking this on as a fundraiser. This is a great way to contribute to PAC school community fundraising which can, in turn, come back to students in the form of bursaries and scholarship funds later in the year. Items such as rinsed out juice cartons, milk cartons, pop cans, etc. Items can be dropped off at the school office. We Thank you in advance!

### Request for the Administration of Medication at the School

The School District #38 (Richmond), in collaboration with Vancouver Coastal Health – Richmond, has guidelines in place regarding the administration of prescribed medications.

In accordance with these guidelines, non-prescription medications such as Tylenol, Advil, Benadryl, etc. **will not be** administered by Richmond School District staff and will not be kept at school.

For students who require prescribed medications to be administered by school staff, a **Request for Administration of Medication at School** (RAMS) form is necessary to be completed. This form is available at the school office, or on request, can be emailed to you at home. This RAMS form should be taken to your pharmacy so that the prescription label can be attached and then brought to your child's school along with the prescribed medication.

At the start of each school year, you will need to bring an updated 'Request for Administration of Medication at School' form along with your child's medication. Each summer, all medications will be sent home. This will give you the opportunity to use the medication over the summer.

Remember to check the expiry date before sending any medications back to school in September. You can check for expiry date reminders of emergency medication for EpiPen and Allerject on the company websites: [www.epipen.ca](http://www.epipen.ca) or [www.allerject.ca](http://www.allerject.ca) If you have any questions, please contact your school principal.
