### Every student, every day, whatever it takes!

*“The good teacher explains. The superior teacher demonstrates. The great teacher inspires. The unforgettable teacher ignites the imagination and instills a love of learning. What we learn with pleasure we never forget.”*

As we start our last quarter of the 2020/2021 school year at Cambie, it is easy to be negative. We are more than a year into a pandemic that has left us all in pain and grieving for the lives we once lived...we are all tired of the pandemic. It has been exhausting. Some of us have suffered more than others, but we all remain in this together. It is so important we remain optimistic and finish the school year off strong. As teachers, there is nothing outside of your reach. Let’s make this last quarter unforgettable, let’s be unforgettable.

The unforgettable teacher is an unsung hero who feeds a learner’s soul. There is no template or “model” for the unforgettable teacher. Unforgettable teachers come in all shapes and sizes; their pedagogies are as varied as the students they teach.

Optimism is the religion of unforgettable teachers. So often, negativity is the default mode for so many, but unforgettable teachers have an innate positivity about everything. Students remember people who are reliable, people who live and die by their word. Determination is a hallmark quality in unforgettable teachers, they believe that “every student matters” and deserves to be successful and as such, every student gets their teaching best. Unforgettable teachers are tenacious. For most endeavors in life, tenacity is the single best predictor of success. Success in athletics, business, and even teaching and learning is predicated upon tenacity.

Unforgettable teachers are resilient, but more importantly they teach resilience. They live the old cliché: “Fall down seven times, get up eight.” Unforgettable teachers make lasting connections. They invest time in all their many relationships. These teachers position themselves as the standard bearers of respect, honour, and appreciation. They lead by example. Unforgettable people are champions. Unforgettable teachers are champions for students.

At Cambie we are “Champions for students!”

### RAISING THE BAR – Set New Goals for Quarter 4

As we enter the final quarter of the school year, all students have the opportunity to set new goals. We continue to challenge students to set high expectations for themselves and then to demonstrate determination in striving for these goals. Setting goals is a good way to help you reflect on what’s important to you, clear your mind, and focus on who you want to become.

### CAMBIE COMMONS – After School Support Quarter 4

The Cambie Commons is open after school every Monday, Tuesday, Wednesday, and Thursday for extra student support. This is a great way for students to get some extra help with their learning.

### Scholarship Selection Process

The next two weeks will see the Scholarship Committee meet for 6-8 hours to go through applications and select recipients. We are so fortunate to be able to provide nearly \$60,000 in scholarship money to our grads, which is largely thanks to the McEwen family. Scholarship winners will be initially informed of their win as they cross our stage on the May 21<sup>st</sup> filming of valedictory, which will then be shared with our entire community on June 11<sup>th</sup>.

### New Outdoor Learning Spaces @ Cambie

Through some Covid-related and safer schools grants, our school has purchased 6 large picnic tables that can accommodate a class for instruction or groups of students eating lunch in the outdoors. The grant also funded the installation of an outdoor log and boulder ‘amphitheater’ that can accommodate classes and audiences. Lastly, the community center has broken ground on their outdoor plaza which will have a stage, harvest table, and more.
