**Every student, every day, whatever it takes!**  
*Values are like fingerprints, nobody's the same, but you leave them all over everything you do.*

It is a time to celebrate...a little. This is the last week of classes at Cambie Secondary School for the 2020-2021 school year. It has been a successful school year not just because our school doors have remained open to students the entire year, but for the fact that every student has had an opportunity to grow and develop. During this pandemic, we have lived our values and championed the learning of every student during some very difficult times.

At Cambie, our focus has been on the learner during this pandemic. It is not hard to make decisions when we know what we must do. It is not hard to show up under difficult situations when we know our values. It is not hard to lead when we know that so many people are counting on us. Cambie is the sum total of our values. At Cambie, we champion others; we champion students, we champion our colleagues, and we champion our community.

As “champions for others” we have all done whatever it takes to ensure learning opportunities have been available to all. Together we have shown determination, resiliency, and courage. We have not settled. We have done our best for our students and our community. Our unwavering hope and faith during all the ups and downs have gotten us to this last week. We did it together and we did it for each other.

**At Cambie we are “Champions for students!”**

**Learning Completion Days – June 28 and 29**

For the 2021-2022, we are adopting a **Two Semester Schedule**, as a part of our COVID-19 response. In September 2021, all students will attend fulltime and will take four classes each semester rather than eight in Cambie's traditional linear schedule or the two classes in the Quarter Schedule used during the 2020-2021 school year.

**Personalized Learning Time (PTL) 2021-2022**

Two periods of instructional time each week is set aside as “self-directed” time for students to independently learn and pursue their passions with teacher support and mentorship. Students are given choice and ownership over their learning, while staff facilitate by providing a supportive learning environment.

**5 Guiding Principles for PLT**

1. Self-Directed, Self-Managed, Self-Regulated by students
2. Build on Individual Student Passions
3. Growth Mindset
4. Core Competency Development
5. Focus on Self-Care, Self-Aware, Physical and Mental Health for students

**Yearbook Distribution**

We are planning on the Yearbooks arriving this week. With this in mind, we anticipate pick-up of yearbooks on Tuesday, June 29<sup>th</sup>, by cohort. We will email our students and families the final schedule, but we plan on the grade 8s at 10am, 9s at 11am, 10/11/12 Cohort A at 1pm, and 10/11/12 Cohort B at 2pm.
