### Every student, every day, whatever it takes!

*"If your actions inspire others to dream more, learn more, do more and become more, you are a role model."*

*Unknown*

A role model is a person who inspires and encourages us to strive for greatness, to live to our fullest potential, and to see the best in ourselves. A role model is someone we admire and someone we aspire to be like. We learn through them, through their commitment to excellence, and through their ability to make us realize our own personal growth. We look to them for advice and guidance. Without role models, it is more difficult to reach our potential...it is more difficult to live our dreams, to learn, to be more, and to become more. It is more difficult to be a Cambie student without a role model.

A role model can be anybody: a parent, a sibling, a friend but some of our most influential and life-changing role models are teachers. At Cambie, we are lucky to have so many great role models, that pass along lessons, not just in regard to subject matter, but lessons on life. Our teachers at Cambie strive to be role models. It is one of the best reasons to be a teacher. There is no career more important than teaching because teachers model care, empathy, passion, fun, love, and so much more every day and with every student, without fail.

**At Cambie we are "Champions for students!"**

### Attendance and Absence Alerts to parents

The automated attendance messages go home to parents at 11:00am (for first block) and 4:20pm (for the entire day).

### Importance of Personal Learning Time (PLT)

Students are given choice and ownership over their learning, while staff facilitate by providing a supportive learning environment (sign-up required). The goal is for students to "self-direct" their time, to independently learn and pursue their passions with teacher support and mentorship.

### Why PLT?

Our goals is to increase student engagement. Through PLT, students will be able to access support and pursue "areas of interest" during the school day. We are trying to encourage a healthy school / life balance as many students are juggling a busy academic schedule with a number of extra-curricular activities.

### Steps to success during PLT

- Organize your learning plan
- Develop a game plan for the week & the PLT days
- Set your priorities – What do you need to accomplish
- Sign-up online - Be prepared and ready to learn

### Meet the Teacher Night September 23, 2021 @ 7pm

In place of Cambie's traditional "face to face" Meet the Teacher Night, Semester One's meeting between teachers and parents will be replaced by digitally communication (i.e. by email) and Cambie Administration will host a Virtual "Welcome to Cambie" presentation via [Microsoft TEAMS](https://www.microsoft.com/teams) on September 23<sup>rd</sup> @ 7pm.
